

In September 2018, virtually all our Life Transforming Small Groups began using a curriculum called, The Gospel Project. It is a 3-year study through the entire Bible. The study is very insightful and engaging, encourages spirited discussion each week, is Christ-centered, shows how the Bible is one big story of God's love for man, and targets immediate application of what we learn.

The Gospel Project is divided into 13-week semesters. Every semester, we plan to offer one to two other "elective" small groups. The electives that we will offer in 2019 are shown below. Signups for each of these elective small groups will be just prior to the beginning of the semester unless otherwise advertised.

## **Spring (March-May) 2019**

### **Practical Christian Doctrines I (aka Systematic Theology)**

**Leader: Pastor Frank**

**Open to Both Genders, Day/Time to Be Determined**

We will study what the Bible teaches about God (including the Trinity), the Bible, Jesus, Holy Spirit, angels, and man. Preparation for each meeting will require 1.0-1.5 hrs./wk. to do the assigned reading and look up the proof verses. During each meeting, Pastor Frank will make some opening comments, answer questions, and then the group will focus on how this knowledge impacts our character and relationship with God.

### **Biblical Communication**

**Leaders: Pastor Frank and Karen Termine**

**Open to Both Genders, Fridays During Awana 6:30-7:55pm**

Strong personal relationships require effective communication that includes godly confrontation, forgiveness, prayer, and a humble, but courageous spirit. The Bible is full of counsel about how to communicate effectively. Bible study will be combined with practice putting the concepts to work.
